**ORDER ADOPTING REPORT & RECOMMENDATIONS**

**REAGAN, Chief Judge:**

On September 19, 2017, Plaintiff Richard Allen filed suit alleging failure to protect, excessive force, deliberate indifference to serious medical needs, and due process claims against Defendants. Defendant Cortney Meyer filed a motion for summary judgment (Doc. 64) arguing that Allen failed to exhaust his administrative remedies against her prior to filing suit. Allen, now represented by counsel, did not respond to Meyer's motion for summary judgment. On December 11, 2018, Magistrate Judge Stephen C. Williams issued a Report & Recommendations (Doc. 81) recommending that the undersigned deny Defendant Meyer's motion for summary judgment. The report clearly stated a December 28, 2018 deadline for filing any objection. That deadline has passed, and no party filed

objections. As a result, the undersigned need not conduct a de novo review of the Report & Recommendations. *See* 27 U.S.C. § 636(b)(1).

The undersigned District Judge **ADOPTS** in its entirety the Report & Recommendations (Doc. 81) submitted by Magistrate Judge Williams and **DENIES** Defendant Cortney Meyer's motion for summary judgment (Doc. 64).

**IT IS SO ORDERED.**

DATED: January 3, 2019
